

# Mr Ruse

## Why I became a teacher:

- To keep learning alongside the children
- To share my love of art, history, books and sport
- To be creative
- To be part of a big adventure each year

We are a team. We need to support each other by remembering that:

- ✓ The most important person is the person you are with
- ✓ The most important thing to do is to be kind to that person
- ✓ The most important time is **NOW**

Do more of what makes you happy

Live adventurously

## Things that make me happy:

- Walking my dog, Flo
- Biking my bike
- Browsing in bookshops
- Making homemade pizzas
- The seaside
- Playing tennis
- Reading pictures
- Canoeing on the River Stour
- Playing the ukulele
